Wichita, KS – Rebecca Saxton has joined the Wichita Regional Chamber of Commerce as the organization's Membership Data Manager. She started her position on September 3.

Saxton will utilize her experience with database systems and project management tools to manage the Chamber's membership database and implement new features. She received her Bachelor of Arts degree from Taylor University in Upland, Indiana and has worked in Wichita since relocating here in 2016.

Gary Plummer, President and CEO of the Chamber, said that he welcomed Rebecca's experience with donor and event management systems. "Her extremely positive and helpful attitude is just as important as the skills she brings to our team. She's very member focused and is proving to be a great fit for our culture."

Saxton replaces Monica Poe who had held the position since 2018. Poe was named the Marketing and Communications Manager for the Chamber last July.
