Chamber Promotes Jaime Dupy *(photo attached)*

WICHITA, KS –The Wichita Regional Chamber of Commerce has promoted Jaime Dupy to the position of Director of Investor & Strategic Development. Her previous title was Director of Investor Relations.

Dupy will continue her investor relations duties with Chairman's Club and Board of Advisor companies. In addition she will coordinate the Chamber's efforts to align the passions of Chamber investors and individual donors with the organization's mission, programming and strategic priorities. That work will be done through the Chamber and affiliates, such as the Wichita Educational Foundation and Young Professionals of Wichita.

She joined the Chamber in 2012 as a campaign coordinator which generated more than \$9 million for economic development programs. During her tenure, she has also staffed programs for Young Professionals of Wichita, Business Services and Government Relations. She was named Director of Investor Relations in 2016 and successfully managed the Chamber's centennial initiative in 2017.

"Jaime has been a valuable member of the Chamber team for years and continues to grow as a team leader," said Gary Plummer, Chamber President and CEO. "Her expanded role will allow her to play an even more important role in supporting the Chamber's mission."
