Chamber announces staffing updates in Membership, Accounting departments *(Photos attached)*

WICHITA, KS –The Wichita Regional Chamber of Commerce has recently expanded their staff. Monica Poe has been hired as the Membership Data Manager, and Alison Percy has been hired as the Member Engagement Coordinator. In addition, Peter Gaulding's role as Accounting Clerk has moved from part-time to full-time.

Poe, a graduate of Wichita State University, previously worked at the Marketing Manager for In the Bag Cleaners. In her new role, she is responsible for maintaining accurate membership records and for managing the organization's membership database to assist in strategic analyses. Her background in managing data and measuring results will help position the organization for continued success. Her first day at the Chamber was Jan. 2.

Percy, a graduate of Kansas State University, previously worked as the Events Coordinator for JOMA Bowling Company where she oversaw a wide range of events for groups of 15 to 1,000 attendees. In her new role, she provides administrative and project management support for the Membership & Engagement Department, which is responsible for planning and executing the majority of the organization's 100+ annual events. Her first day at the Chamber was Jan. 2.

Gaulding joined the Chamber as a part-time Accounting Clerk in April of 2016. During his time with the Chamber, he has demonstrated a team-first work ethic. Due to growth within the organization, the position was moved to a full-time status on Jan. 2. Gaulding will graduate from Wichita State University this May with a bachelor's degree in accounting.

Chamber President and CEO Gary Plummer said, "The work and volunteer experiences of these individuals make them assets to the Chamber team. I am confident they will continue providing the exceptional service that our members and community partners have come to expect. We're pleased to have them on board."
