### Chamber Announces Gauling Promotion

**WICHITA, KS** – The Wichita Regional Chamber of Commerce has promoted Peter Gauling to Accountant effective June 1. Gauling joined the Chamber two years ago in a part-time accounting clerk role to perform billing duties. He moved to a full-time position earlier this year and his additional duties as an Accountant will include monthly reconciliations, report creation and preparation of tax returns. Gauling is a recent graduate of Wichita State University with an Accounting degree.

Chamber President and CEO Gary Plummer said Gauling earned his promotion through dedication and hard work. “During his tenure with the Chamber, Peter has assumed increasing levels of responsibility and the successful completion of his accounting education will allow him to perform professional-level accounting work. His assistance with a planned move to advanced technology tools will be critical to the success of the project.”
