Chamber announces two staff promotions

WICHITA, KS – Gary Plummer, Wichita Regional Chamber of Commerce President & CEO, has announced two staff promotions that are effective January 1, 2018.

- Alejo Cabral has been promoted to Director of Young Professionals of Wichita.
- Tram Ngo has been promoted to Manager of Government Relations.

Both Cabral and Ngo have been integral members of the Chamber team since the start of their tenures.

In this new position, Cabral will lead Young Professionals of Wichita (YPW), an affiliate of the Wichita Chamber with a mission to attract, engage and retain diverse young talent. “The organization’s volunteers quickly connected to him,” Plummer said. “His ability to form relationships in diverse community groups have helped the organization increase its reach in the community.” He originally joined the Chamber in January 2017 as the YPW Coordinator. Prior to his role at the Chamber, Cabral worked at Credit Union of America.

Ngo’s promotion comes as a result of her superb work since joining the Chamber in May 2017. “Our Government Relations department is responsible for advocating for business interests at the local, state and federal level, and Tram has earned the respect of our members, business leaders and public officials,” said Plummer.

“I appreciate Tram’s commitment to excellence and am thrilled about her expanded role at the Chamber,” said Director of Government Relations Sean Robinson. “Tram is passionate about cultivating the strategic partnerships needed to advance our region’s growth.”
