WICHITA, KS – Gary Plummer, Wichita Regional Chamber President & CEO, announced today that Courtney Sendall has been promoted from **Manager of Marketing & Communications** to **Director of Marketing and Communications** effective September 11. She joined the Chamber in February 2013 as a Communications Coordinator. During her career with the Chamber, she has gained both supervisory and project management experience. In her new role, she'll assume more budgetary duties and provide additional input into overall strategic initiatives for the Chamber.

Plummer said that Sendall is an important asset to the Chamber team. "Courtney's marketing and communications expertise are well recognized throughout the community. We're fortunate to have someone of her caliber managing so many vital connection points for our members and volunteers while representing the Chamber throughout the region."

Sendall is a graduate of Wichita State University and a volunteer for several organizations including the Kansas Humane Society, Make-A-Wish Kansas and Social Media Marketing World (an annual international convention).
