2017 Leadership Wichita Nominations Underway

Wichita, KS – Nominations opened this week for the 2017 Leadership Wichita program and will remain open until June 2. Managed by the Wichita Regional Chamber of Commerce, Leadership Wichita provides an immersive experience every year for 30 area achievers. The program runs between August 24 and November 8 and provides interactive leadership learning experiences for those interested in taking increasingly more significant roles in leading the region. Participants craft a vision for the community; gain valuable insight into local government, economic development, education, and media; and interact with the key community and business leaders working to make progress in each area.

Since Leadership Wichita was introduced in 1983, nearly 1,000 local business, government and military persons have completed the program and have committed to become stronger leaders for our community. Those interested in participating must be nominated by another person and then submit an application.

Tyler Heffron, an attorney at Triplett, Woolf & Garretson, LLC, graduated from the Leadership Wichita program in 2008. He currently serves as the Chair of the Leadership Wichita Board of Trustees. Heffron said the Board plans to announce the 2017 Leadership Wichita class on August 14. “The Board dedicates a significant amount of time to ensuring that we have a diverse and balanced group each year so that participants benefit from a variety of viewpoints.”

Please visit wichitachamber.org/LeadershipWichita to find more detailed information about the program and to submit a nomination by the June 2 deadline. For more information, contact the program manager Suzy Finn at 316-268-1170.
