Wichita Regional Chamber PAC Endorses Rep. Roger Marshall for U.S. Senate in 2020 General

Wichita, KS - The Wichita Regional Chamber Political Action Committee (WRC PAC) voted to endorse Dr. Roger Marshall, currently serving as Congressman from Kansas' 1st Congressional District, in the race for U.S. Senate in Kansas. The general election takes place on November 3, 2020.

Chamber PAC Treasurer Walter Berry (President/CEO of Berry Companies, Inc.) stated, "Our country, state, and region are faced with some significant challenges as we work to reignite the economy and advance opportunity for all. In these uncertain times, it's absolutely critical to support and elect pro-business candidates for public office. That's why the Wichita Regional Chamber PAC is proud to endorse Dr. Roger Marshall in the race for United States Senate in Kansas. We were pleased to see Dr. Marshall win his primary race and are supporting him in the general election because he's been a champion for free enterprise and economic growth as Congressman. We're confident he is the best choice to drive prosperity for our region and state in the U.S. Senate."

Dr. Marshall expressed his appreciation for the endorsement, "I'm honored by the endorsement of the Wichita Regional Chamber Political Action Committee. To me, this signifies years of working together, through good and bad times, to strengthen the Wichita community and region. I know times are tough, but Wichita has stepped up. I'm proud of Kansans for picking themselves up by the bootstraps, and fighting on. We are winning the war against this invisible enemy, and the Wichita community has been a leader in the fight. The aerospace industry has worked to save thousands of jobs and produce countless ventilators to help us win this war. Kansans are hurting, but the innovation of the Wichita community will help us rebuild our strong economy. I'm looking forward to working toward prosperity for many years to come."
