

2020 South Central Kansas Regional Legislative Agenda

Economic Development

Support regional economic development projects, protection of the state's economic development incentives and programs that keep the state competitive

Education and Workforce Development

Encourage state education policymakers and post-secondary institutions to adopt innovative and cutting edge programs and practices to meet business needs for a skilled workforce.

Business-Friendly Environment

Support expansion of Medicaid (KanCare) that is revenue neutral and encourages personal responsibility.

Mental Health and Substance Abuse

Encourage the legislature and administration to consider additional investments designed to address the treatment of mental health and substance abuse in South Central Kansas.

Transportation and Infrastructure

Preserve dedicated transportation funding and ensure that South Central Kansas receives equitable distribution of transportation funding to build and preserve the transportation infrastructure that is vital to business and industry.

Vision | *To build a regional consensus on top policy priorities and maximize the influence of the South Central Kansas region at the state capitol and with the Kansas Federal Delegation.*

Goal | *Through our regional partnerships, the South Central Kansas Regional Legislative Agenda will provide a powerful voice for the South Central Kansas region, with the influence of the agenda and partnerships growing each year.*
